The Consolation event will be set up as follows:

The Race Director will determine the number of sleds invited to the Consolation event.

The Race Director will determine the number of laps to be ran in the event.

In any case, no less than three (3) nor more than nine (9) sleds will be invited to compete in the event.

All sleds will be lined up by original qualifying times.

When the event is concluded the first place qualifier will fill the front row.

Second and third place sleds will become the back row.

See World Cup Class rules for line up procedure and procedures to follow in case of back row penalties that may be accessed to any driver.

GRID SHEET ABOVE IS FOR UP TO 36 ENTRIES

IF LESS ENTRIES REDUCE THE AMOUNT OF HEATS.

Example reducing to 4 heats would accommodate up to

24 entries. 3 heats would accommodate up to 18 entries.
